Rationale for the Modified Major - Identify the specific problem or topic that you wish to study and justify why its study depends on courses in PSYC. The courses of the modified major should be planned as a unified, coherent whole.

Modifying Courses - The modified major requires 4 approved courses in PSYC (see the worksheet). Explain how each course fits coherently with your general rationale and how it complements your economics courses. It is your responsibility to make sure that courses will be offered in the terms you plan to take them.
