Who We Are

The D. E. Shaw group is a global investment and technology development firm headquartered in New York City. Since our founding in 1988, we've earned a worldwide reputation for innovation, cutting-edge technology development, and the quality and depth of our people.

Our people come from all fields of study and no prior finance experience is required—we'll teach you what you need to know!

Internships

Collaborate with diverse teams to solve real-world problems in an immersive summer experience.

- **Develop research, analytical, and communication skills** that we prize and that are invaluable to any future path
- **Partner with experienced professionals on complex projects** that have direct relevance to the firm's business decisions
- **Receive competitive pay** (in addition to travel and accommodation benefits)

Internship roles are available in:

	Business Operations
	Strategy and Business Development
	Systems
	Discretionary Investing
	Systematic Investing

Fellowships

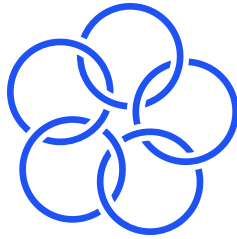

What can you learn in three days? A lot! Our fellowships bring together talented and intellectually curious students to learn about what we do, how we think, and the types of problems we solve.

- Participate in interactive case studies, seminars led by industry experts, and sessions with members of our team
- Receive a stipend, accommodations, and travel to and from our office

Programs:

	Discovery	Undergraduate students in their second year who self-identify as women
	Latitude	Undergraduate students in their second year who self-identify with a historically underrepresented minority group in finance and technology
	Momentum	Undergraduate students in their second year who are part of the LGBTQIA+ community
	Nexus	All undergraduate students in their second year
